RE: University Incoming Phone Lines

On Wednesday, January 24, 2007 the Prairie View A&M University campus experienced failure with the university incoming phone lines between the hours of 2:30 p.m. and 4:30 p.m. The malfunction affected incoming calls and calls to phone numbers starting with 936-261-xxxx. AT&T had a translation error in their equipment which caused them to have to reload all of our DID (Direct Inward Dialing) lines for numbers with the 261 prefix. We apologize for any inconvenience this may have caused your department.
