Contract No.:

To:

CHANGE ORDER REQUEST (COR)

Please submit your signed proposal on this form within 30 days to the Physical Plant Construction & Planning Office. Attach an itemized breakdown on TAMUS Form C-15. Send a copy of your proposal to the Architect/Engineer.

By copy of this form, the Architect/Engineer is instructed to notify the Owner in writing if A/E design liability is affected by this change.

Changes Required:

Signature _____ Date _____

CHANGE ORDER PROPOSAL (COP)

CONTRACTOR'S PROPOSAL: \$ _____ TIME ADJUSTMENT REQUESTED: _____ DAYS

A Contract Time extension will be considered only if a separate, written statement is included with this proposal. The statement must be dated the same as this proposal and signed by the Contractor's representative. State the number of calendar days required and relate the changes made by this revision to the approved progress schedule to show why the contract time should be extended. A time extension will not be considered without adequate, written justification.

It is mutually agreed that the charges, credit and/or time extensions for work covered by this approved contract change order shall constitute full compensation for all costs, expenses and damages, whether direct, consequential or otherwise, in any way incident to, or arising out of, or resulting directly or indirectly from the work performed or modified by the contractor under this approved contract change order. It is further agreed that the contract sum will be adjusted by the amount entered as the Contractor's Proposal above.
