

# Sustainable Agriculture Program Integrated Pest Management Virtual Workshop

The AGNR Cooperative Extension Program in Willacy County is hosting an educational workshop on *Integrated Pest Management* to promote cultural practices used to control insect pests in your garden. Prairie View A&M University Specialist will present these methods that you can apply to protect your harvest from financial loss.

## Topics:

- *Pest vs. Beneficial Insects*
- *Use & Methods of IPM*  
by Mr. Nathan Hermond  
Extension Associate
