The history of PRAIRIE VIEW A&M UNIVERSITY

ESTABLISHMENT

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

ENROLLMENT OF THE FIRST STUDENTS

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

ERA OF PRINCIPALS AS CHIEF ADMINISTRATIVE OFFICERS

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1926; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

ERA OF PRESIDENTS AS CHIEF ADMINISTRATIVE OFFICERS

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-2017; Ruth J. Simmons, 2017-present.

NAMES GIVEN TO THE UNIVERSITY

1876 - 1973

The Fifteenth Legislature (August 14, 1876) established “Alta Vista Agricultural and Mechanical College of Texas for Colored-Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to “Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

Vanderbilt University

Michael Eric Dyson is an award-winning author, a widely celebrated Vanderbilt University professor, a prominent public intellectual, and a noted political analyst. A native of Detroit, he is also an ordained Baptist minister. Dr. Dyson has authored more than 23 books, including seven New York Times bestsellers on subjects such as the legacy of Martin Luther King, Jr., Malcolm X, Nas's debut album *Illmatic*, Tupac, Marvin Gaye, and Hurricane Katrina's devastating and long-lasting effects. He is also a contributing opinion writer at the New York Times, an MSNBC political analyst, and a contributing editor at the New Republic. Dr. Dyson received his Ph.D. in Religion from Princeton University in 1993.

Dr. Dyson is a two-time NAACP Image Award winner ("Why I Love Black Women" and "Is Bill Cosby Right?") and the winner of the American Book Award for "Come Hell or High Water: Hurricane Katrina and the Color of Disaster." His book, "The Black Presidency: Barack Obama and the Politics of Race in America," was a Kirkus Prize finalist. In 2020, he received the Langston Hughes Festival Medallion, which is awarded to highly distinguished writers from throughout the African American diaspora for their impressive works celebrating the memory and tradition of Langston Hughes.

Essence magazine has named Michael Eric Dyson one of the 40 most inspiring African Americans, and Ebony magazine listed him among the 100 most influential black Americans. He often speaks at universities and political conventions, but he is also known for his speaking engagements at union halls, prisons, classrooms, and churches. As a preacher for more than 40 years, Dr. Dyson has mounted many of the nation's most esteemed pulpits to deliver sermons, including, most recently, the Washington National Cathedral where Martin Luther King, Jr., delivered his last Sunday sermon.

Throughout his career, Dr. Dyson has had a profound effect on American culture and thinking. His latest book, "Long Time Coming: Reckoning with Race in America," examines the social and cultural forces that have influenced our nation in what he describes as "the brutal crucible of race."

Honorary Degree

Prairie View A&M University awards Honorary Degrees principally to individuals who have distinguished themselves in sustained scholarly activity in the arts, letters, sciences, technology, education, or service to humanity. An Honorary Degree also may be awarded to an individual from industry, government, communications, education, business, social services, or another public arena who has distinguished himself or herself through nationally or internationally significant contributions. The Honorary Degree brings honor and recognition to Prairie View A&M and identifies persons whose accomplishments and service to humanity can be considered exemplary.

Prior recipients of the Honorary Degree from Prairie View A&M University include the Honorable George H.W. Bush, 41st President of the United States; Former United States Secretary of State, General Colin Powell; Lt. General Julius W. Becton, Jr., 5th President of Prairie View A&M University; Politician and Texas Women's Hall of Fame Inductee, Wilhelmina Delco; and Educator and Civil Rights Activist, Willa Beatrice Player.

Academic Regalia

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flattop, or “mortarboard” type with a gold or black tassel. It is called a “mortarboard” because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortarboard. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university awarding the degree. The academic discipline is represented by the color(s) on the outside rim of the hood according to the table below:

Agriculture.....	Maize	Nursing	Apricot
Architecture	Lavender	Philosophy	Dark Blue
Arts, Letters, Humanities.....	White	Physical Education	Sage Green
Commerce, Accountancy, Business	Drab	Physics	Science Gold
Criminal Justice	Midnight Blue	Psychology	Gold
Economics.....	Copper	Public Administration, including	
Education	Light Blue	Foreign Service.....	Peacock Blue
Engineering.....	Orange	Public Health	Salmon Pink
Fine Arts	Brown	Science	Golden Yellow
Forestry.....	Russet	Social Work.....	Citron
Geography.....	Blue and Green	Technology.....	Golden Yellow
Journalism.....	Crimson	Theology	Scarlet
Library Science.....	Lemon	Veterinary Science.....	Gray
Mathematics	Science Gold		
Music	Pink		

The tassel on the doctor’s cap is usually gold and is permanently fastened on the left side. The master’s cap has a black tassel worn on the left. The bachelor’s cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The gown is usually black. The traditional doctor’s gown has velvet panels down the front and three velvet bars on the regular sleeves. The master’s gown has no velvet, but does have unusually long sleeves. The bachelor’s gown is similar to the master’s gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the college granting the degree, such as “Education Blue.” Others may be “Yale Blue” or “Harvard Crimson” for the graduates of those universities. Customized stoles honor those students who have served the nation in the Armed Forces.

Academic Symbols

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. In the hollow area beneath the figures is a flame that is equally shared. The flame denotes knowledge and excellence. The base symbolizes the entire faculty. It serves as a grip and is carried by the university marshal. The stand, which supports the mace, characterizes the administration. The visual impact of the mace as a whole is “torch-like.” The eight tassels represent the academic organization of the University.

THE TEXAS A&M UNIVERSITY SYSTEM PRESIDENTIAL MEDALLION

The Texas A&M University System’s Presidential Medallion features the seal of Prairie View A&M University and signifies the trust placed in the institution’s new leader by The Texas A&M University System Board of Regents and the Office of the Chancellor. Infused with tradition and honor, the medallion is a symbol of the responsibility to inspire, mentor and serve the students of Prairie View A&M. The System’s chancellor presents the medallion to the new president at his or her inauguration.

THE PVAMU PRESIDENTIAL MEDALLION

The President’s Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his or her inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2021 Spring Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence in your academic pursuits and should take great pride in your many accomplishments.

The diploma you receive today is not only the goal you have worked so diligently to attain, but also a symbol of the education that has prepared you for success in all future endeavors you pursue: further academic study, a career, a productive life, and an active membership in a constantly changing society that needs your talents and energy as we continue to face the challenges of our modern world.

In this moment, you inherit the freedom and prosperity of this great state and nation, as well as the responsibilities that accompany them. This is no small task; the work which remains before us is critical to securing our prosperity for generations to come. I encourage you to rise and meet the challenges ahead of you by building upon the foundation laid by the men and women who have come before you, and those who have helped prepare you for this moment.

I am certain this milestone you celebrate today is merely one of many achievements you can look forward to. I encourage you to recognize the different support systems that helped you reach this place—family, friends, teachers, and professors—and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way. As you move into the next chapter of your life, know that your success will ensure a better and brighter future for the Lone Star State.

First Lady Cecilia Abbott joins me in sending best wishes for your continued success.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".

Dear Prairie View A&M Graduate:

Congratulations! You have managed to graduate from Prairie View A&M University during the most difficult, tumultuous year of our lifetimes. If COVID-19 can't impede your progress toward your goals, I can't imagine anything in the future will stop you.

I commend you for your personal accomplishments and tenacity. You are the embodiment of Panther Pride and Spirit. Your success is the result of your firm commitment and many sacrifices. The Regents of the Texas A&M University System and I are proud of you.

Your accomplishment, however, is also the legacy of the struggles of those who came before you, paving the way for your success today. May you never forget their sacrifices and live a life that honors them. May your success inspire the next generation.

Again, congratulations. The future is yours. I hope you will remain an active member of the Prairie View A&M University Community.

Sincerely,

John Sharp
Chancellor

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
